How will the school measure the impact of the Catch Up Interventions?

To measure progress on attainment, BSquared (an assessment system that we use that measures progress against the P Scales and National Curriculum Levels) will be used and monitored by AHT at each meeting with the Year 7 Catch Up Teacher. During the progress meeting with the Teacher, the school will review the impact of actions taken and monitor the progress made by looking at examples of work on Tapestry and at that data.

Year 7 Catch Up Funding and the impact of this is a regular item on the Governing Body agenda and termly meetings between the AHT and Nominated Governor will take place to discuss the impacts.

Designated staff member in charge:	Assistant Headteacher
UPS Teacher responsible for Year 7 Catch Up:	Amanda Daines
Nominated Governor for Progress:	Katy Duddridge
