

### Kingsdown School's Family Room

Kingsdown now has a dedicated Family Room which we hope you will find friendly and inviting. It is fully accessible to parents and carers within the school. Parents and carers are always welcome to 'pop in' and no appointment is needed. The Family Room door is always open whether it is help you need or just a friendly chat, you are welcome anytime.

At Kingsdown, families are important to us and we understand that your child joining Kingsdown is a huge thing for both you and your child. To support this, we have a dedicated member of staff in school to provide support with any issues or difficulties that you may be facing as a parent/carer. If you have anything that you need help with, whether it be behaviour management, parent-child relationship difficulties or even help completing forms, then please let us know and we will do our best to help you.

In addition to providing one-to-one support, from time to time, we will be running various group information sessions.

Please remember, you are very welcome to call in anytime, even if it is just for a friendly chat or cup of tea or coffee.

If you are unable to come to school but you have any questions or need assistance, please contact Donna Slattery on 01702 527486 or by email to [dslattery@kingsdown.southend.sch.uk](mailto:dslattery@kingsdown.southend.sch.uk)
